Kyle Sohn

(401) 465-4722 | kyle_sohn@brown.edu

EDUCATION

Brown University

Bachelor of Science in Computer Science-Economics Providence, RI | Expected Graduation: May 2025

- **GPA:** 4.00/4.00
- **SAT:** 1500

WORK EXPERIENCE & ACTIVITIES

Pointz, *Product Management Intern* Providence, RI | 06/2023 - 08/2023

- Employed Python and SQL to filter, aggregate, and standardize 100,000+ data points from 100+ users, enabling targeted analysis that guided strategic decisions on city prioritization and feature enhancements
- Enhanced 15+ UI/UX components in Figma by conducting 20+ customer interviews, refining home screen icons and map interactions while designing the 'Group Leader Ride' feature for the Bentonville Moves Coalition
- Led financial analysis for the PointzGPT feature, using customer interviews and Mixpanel data to optimize pricing and minimize costs, ensuring timely launch and breakeven

UModels/EMG Models, *Main Board Model and Stylist* New York, New York | 05/2024 - Present

- Collaborated with 50+ makeup and hair artists, stylists, and photographers to adapt modeling strategies based on client requests, showcasing campaigns in Times Square, on social media, and on the runway during New York Fashion Week
- Selected from 40+ models to showcase three outfits on the runway from Avel Bacudio's collection with the Philippine Textile Research Institute, highlighting sustainable fashion to over 100 attendees
- Directed styling for 15+ shoots, planning outfits based on proportions, colors, and shapes to align with the creative vision and highlight model uniqueness

LEADERSHIP AND ENGAGEMENT

Brown Entrepreneurship Program, *DEI Committee Lead* Providence, RI | 09/2021 - Present

- Developed a mentorship program connecting 30+ students with Brown alumni through profile matching based on shared interests and experiences, fostering entrepreneurial projects and balanced committee roles
- Organized a speaker event with ecoText founders to promote entrepreneurship in underrepresented communities, managing a $1,200 budget for strategic travel planning and venue enhancements
- Redesigned the DEI page on the club's website, promoting our mission and core values of passion, openness, and unity

Korean American Student Association, *Culture Chair* Providence, RI | 09/2021 - Present

- Conceptualized themes for 10+ events based on survey and poll feedback, leveraging networking to secure venues and attract 300+ attendees to promote Korean culture
- Led 15+ monthly events blending culinary and cultural elements to promote Korean heritage, leveraging insights from experiences in Korea to align with the preferences of ~50 attendees per event

PROGRAMMING PROJECTS

- *SneakerBargains*: Developed a sneaker price comparison website in React to evaluate prices from various resellers, incorporating vendor APIs, enhancing UI with Bootstrap and ANTD, and securing user features through Firebase
- *Search:* Built a search engine indexing 100,000+ XML wiki pages using dynamic programming and Google's PageRank, optimizing data storage with machine learning
- *Maps:* Launched an app featuring Mapbox visualizations of historical redlining data, integrating an API server for GeoJSON data queries within bounding boxes and Moshi for JSON parsing
- *EcoEnergy Insights:* Led a project analyzing global climate, energy, and agricultural trends using SQL, statistical tests, and data visualization to pinpoint key changes in productivity and emissions
